

## **START Days Dates 2021**

**27th April 2021                      Spring START Day**

**19th October 2021                  Autumn START Day**

Time, venue, format and also detailed programme of the START Day will be published on the Prague Stock Exchange website well in advance.

During a START Day, representatives of START Market's issuers present the firm's actual economic situation and development of its business activities. In addition, a presentation by issuers preparing to enter the START market could also take place.
